AIA SINGAPORE

List of Recommended Traditional Chinese Medicine (TCM) Centres

Effective from 07/07/2026

HEALTHIER, LONGER,
BETTER LIVES

Purpose of the List of Recommended TCM Centres

This is a list of recommended TCM centres where customers can seek TCM treatment and submit the claim without the need of a TCM questionnaire, subject to their policy coverage for TCM benefit claims.

If the customer prefers to seek treatment with a TCM centre outside of the list, the customer is required to submit the TCM questionnaire for every treatment. The TCM questionnaire has to be completed by the attending practitioner. It will provide additional information to assess the eligibility of claims.

Please note that TCM treatment has to be performed by a licensed practitioner, who is registered with the Traditional Chinese Medicine Practitioners Board (TCMPB). For overseas TCM treatment, the treating practitioner has to be licensed locally. Terms and conditions apply to overseas TCM benefit claims.

Please refer to AIA website: [Help & Support > Claims > Traditional Chinese Medicine claims guide](#) for the full list of frequently asked questions and answers.
