

**CUSTOMER RESPONSE FOR COMMON REPORTING STANDARD
REASONABLENESS CHECK ON COUNTRY(IES) OF TAX RESIDENCY**

Policy No. : _____

Policyowner's Name : _____

In relation to the Entity Self Certification Form received by AIA Singapore Private Limited, I, _____ (Authorised Personnel name) declare the reason(s) below for the discrepancies found between my Country(ies) of Tax Residence(ies) and my tax indices.

(Please tick ALL applicable reasons)

Country of Incorporation or Organization	(Please tick 1)
The place where my business is controlled and managed is different from my country of incorporation or organization. My tax residence is determined by reference to the place where my business is controlled and managed.	
Others, please elaborate (Please provide proof of tax payment to the relevant Tax Authorities in the Country(ies) of Tax Residence if request is on Change of Address/ Contact No. /Citizenship):	

Registered/ Permanent Office Address	(Please tick 1)
The registered address serves solely as the physical contact location of the company but it is not the place where my business is controlled and managed. My tax residence is determined by reference to the place where my business is controlled and managed.	
The registered address is solely to keep statutory company records, but it is not the place where my business is controlled and managed. My tax residence is determined by reference to the place where my business is controlled and managed.	
The registered address is solely to allow public inspection of available company records, but it is not the place where my business is controlled and managed. My tax residence is determined by reference to the place where my business is controlled and managed.	
The permanent office address is registered in a different country from my country of incorporation which determines my tax residence.	
Others, please elaborate (Please provide proof of tax payment to the relevant Tax Authorities in the Country(ies) of Tax Residence if request is on Change of Address/ Contact No. /Citizenship):
