Important Notes

- An Entity is a financial institution if it:
 - accepts deposits, in the ordinary course of a banking or a similar business;
 - holds, as a substantial part of business (that is, more than 20% gross income), financial assets for the benefit of one or more other persons;
 - is an insurance company, or the holding company of a corporate group which includes an insurance company;
 - primarily conducts business (from which more than 50% of its gross income is derived) for or on behalf of customers:
 - trading in money market instruments, foreign currency, foreign exchange, interest rate, index instruments, transferable securities or commodity futures; or
 - performing individual or collective portfolio management; or
 - investing, administering, or managing funds, money or financial assets on behalf of other persons; or
 - gross income is primarily attributable to investing, reinvesting or trading in financial assets; or
 - is a collective investment vehicle, mutual fund, exchange traded fund, private equity fund, hedge fund, venture capital fund, leveraged buyout fund, or similar investment vehicle for investing, reinvesting or trading in financial assets.
- A Policy Owner which is not a natural person would be classified as an Entity, including but not limited to a company, partnership, trust, cooperative or association.
