

Dear Valued Customers,

Your well-being matters to us and we are pleased to inform you about our recently launched Security Advisory webpage as part of our initiative to bring information security awareness at your fingertips.

The website covers cyber security tips relevant to users such as:

- 1) Types of scams commonly found today,
- 2) How we are protecting your data,
- 3) General security tips regarding sensitive information such as passwords and best browsing practices,

It will also contain links to all recent security advisories for ease of reference.

Click [here](#) to view the site today!

Contact us at 1800 248 8000 or (65) 6248 8000 from overseas, Mondays to Fridays between 8:45am and 5:30pm should you suspect any fraudulent transaction or unauthorised access to your account.
