HOW DELIGHT POINTS CAN TAKE YOU FURTHER

HOW DELIGHT POINTS CAN TAKE YOU FURTHER

Delight points aren't just earned; they can take you places. Here's an example of how a customer can earn Delight points through a customer promotion and redeem them for KrisFlyer miles via the Delight Marketplace.

Jonathan's Story

Jonathan recently purchased **AIA Guaranteed Protect Plus IV** during a customer promotion that awarded **Delight points worth 20% of his first premium payment**. With an upcoming honeymoon, Jonathan decided to redeem his Delight points for **KrisFlyer miles**, which he had been diligently saving up for his travels.

How Jonathan earned his Delight points

First Premium Payment: S\$7,500

Delight points awarded: $20\% \times \$7,500 = \$\$1,500$
(equivalent to 1,500,000 Delight points)

How Jonathan redeemed KrisFlyer miles

KrisFlyer miles reward rate in Delight Marketplace:

17,500 Delight points = 500 KrisFlyer miles
(Redeemable in blocks of 500 miles)

Total KrisFlyer redemptions available:

$1,500,000 \text{ Delight points} \div 17,500 = 85 \text{ blocks}$

Total KrisFlyer miles redeemed:

$85 \text{ blocks} \times 500 \text{ miles} = 42,500 \text{ KrisFlyer miles}^*$

Remaining balance: 12,500 Delight points

What this means for Jonathan

In addition to the protection provided by his insurance plan, Jonathan is rewarded with 42,500 KrisFlyer miles — enough to redeem **one Economy Saver return ticket from Singapore to Shanghai.***

*Redeemable for one Economy Saver return ticket from Singapore to Shanghai. Subject to changes by Singapore Airlines Limited ("SIA").
