- <sup>1</sup> The discount is based on premium rate for additional private insurance coverage portion (after GST).
- <sup>2</sup> Your MediShield Life premiums may differ depending on your premium subsidies, premium rebates and whether you need to pay for the additional premiums. MediShield Life premiums (including any extra loading) can be fully paid by MediSave.
- <sup>3</sup> Payable by MediSave subject to the additional withdrawal limits per insured per policy year. Please refer to the AIA HealthShield Gold Max brochure for more details. Any excess amount must be paid by cash.
- <sup>4</sup> The last entry age is 75. Premium rates for ages 76 and above are for renewal only, please refer to the product summary. Ages are based on attained age next birthday.
- <sup>5</sup> AIA preferred provider refers to any public hospital and any private medical service provider listed on our website at [www.aia.com.sg/qualityhealthcare](http://www.aia.com.sg/qualityhealthcare) (we may change our list of medical service providers at any time). When there is more than one physician treating the insured for the same hospitalisation, the main treating physician (as determined by AIA) must be an AIA preferred provider.

An AIA Nominated Company is a company selected by AIA. AIA reserves the right to nominate any company it chooses to be an AIA Nominated Company at its sole discretion. The discounted premium rates will cease if certain events as set out in the policy contract occur, such as leaving the Public Service or an AIA Nominated Company. Thereafter, the standard premium rates apply to you and your spouse/children from the next policy anniversary.

**Important Notes:**

These insurance plans are underwritten by AIA Singapore Private Limited (Reg. No. 201106386R) ("AIA"). All insurance applications are subject to AIA's underwriting and acceptance. This brochure insert is not a contract of insurance. The precise terms and conditions of these plans, including exclusions whereby the benefits under these plans may not be paid out, are specified in the relevant policy contracts. You are advised to read the relevant policy contracts.

Buying health insurance products that are not suitable for you may impact your ability to finance your future healthcare needs. You are discouraged from switching from an existing accident and/or health insurance policy to a new one without considering whether the switch is detrimental, as there may be potential disadvantages with switching. A penalty may be imposed for early policy termination and the new policy may cost more or have fewer benefits at the same cost.

AIA HealthShield Gold Max is a MediSave-approved Integrated Shield Plan that comprises MediShield Life administered by the Central Provident Fund Board and an additional private insurance coverage portion administered by AIA. When making a claim, the higher of the benefits computed under both plans will be paid. Please note that you can use your CPF MediSave account to purchase only one MediSave-approved medical insurance scheme per Insured at any one time.
