Example

Mr Lee, a 40-year-old Singaporean businessman, purchased AIA Platinum Health with an annual premium of S\$2,008. After experiencing severe abdominal pains, Mr Lee visited a specialist and was diagnosed with prostate cancer. The specialist consultation fee was S\$500.

He was admitted to a hospital in Singapore and underwent surgery. He was hospitalised for 12 days with a bill amounting to S\$23,502 (including surgical fees of S\$12,682). The doctor recommended a full-time nurse to attend to him for 3 months, which cost S\$6,500.

Mr Lee had post-hospitalisation treatment within 90 days after he was discharged from the hospital, and received chemotherapy treatments for 6 months. The post-hospitalisation treatment cost S\$4,525 and the chemotherapy treatments cost S\$25,146.

Important Notes:

This insurance plan is underwritten by AIA Singapore Private Limited (Reg. No. 201106386R) ("AIA"). All insurance applications are subject to AIA's underwriting and acceptance. This brochure is not a contract of insurance. The precise terms and conditions of this plan, including exclusions whereby the benefits under your policy may not be paid out, are specified in the policy contract. You are advised to read the policy contract.

Buying health insurance products that are not suitable for you may impact your ability to finance your future healthcare needs. You are discouraged from switching from an existing accident and/or health insurance policy to a new one without considering whether the switch is detrimental, as there may be potential disadvantages with switching. A penalty may be imposed for early termination and the new policy may cost more or have fewer benefits at the same cost.
