### SUB-FUND SUITABILITY

#### WHO IS THE SUB-FUND SUITABLE FOR?

- The Sub-Fund is only suitable for investors who:
  - Seek to achieve long-term capital appreciation through equity securities;
  - Want exposure to worldwide health care and health science industries; and
  - Are willing to accept some short-term fluctuations in the value of their investments.

Investments in this Sub-Fund are subject to investment risks including the possible loss of the principal amount invested.

Units in the sub-fund are not Excluded Investment Products.

#### Further Information

Please refer to the “Investment Objective of ILP Sub-Fund” and “Risks” sections on Page 1 and Page 3-4 of the AIA Investment Fund Product Summary (“IFPS”) for further information on the suitability of the Sub-Fund.

### KEY FEATURES OF THE SUB-FUND

#### WHAT ARE YOU INVESTING IN?

- You are investing in an accumulative SGD Sub-Fund that feeds 100% into AB SICAV I - International Health Care Portfolio (“Luxembourg IHCP”), an underlying fund constituted in Luxembourg. The Sub-Fund aims to seek capital appreciation through investments on a worldwide basis in equity securities of companies that are engaged in health care and health sciences industries.

Please refer to the “Investment Objective of ILP Sub-Fund”, and “Investment Approach of ILP Sub-Fund” sections on Page 1 of the AIA IFPS for further information on features of the Sub-Fund.

### Investment Strategy

- This Sub-Fund is managed with the objective of achieving long-term capital appreciation through investments on a worldwide basis in equity securities of companies that are engaged in the health care and health science industries. A substantial portion of its portfolio will be invested in U.S. companies. Through a bottom-up selection process, the Investment Manager of the underlying fund attempts to determine market leaders with superior research, financial controls and marketing capabilities.
- The Investment Manager of the underlying fund typically invests at least 80%, and not less than two thirds, of its assets in equity securities of companies in health care and health care-related industries. These companies may be located anywhere in the world, including Emerging Markets.

Please refer to the “Investment Objective of ILP Sub-Fund” and “Investment Approach of ILP Sub-Fund” sections on Page 1 of the AIA IFPS for further information.

<sup>1</sup> For ILP Sub-Funds that feed 100% into an underlying Collective Investment Scheme (CIS) fund, some of the information provided below could be similar to the underlying CIS fund.

<sup>2</sup> “Business Day” means any day (other than a Saturday or Sunday) on which commercial banks are open for business in Singapore or any other day as we may determine from time to time.

<sup>3</sup> In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the Manager have to be stated in the product summary:

(a) To invest only in deposits or other Excluded Investment Products; and

(b) Not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of “Excluded Investment Product” can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <https://www.mas.gov.sg/regulation/notices/notice-faa-n16>

<sup>4</sup> “Valuation Day” is described under the Pricing and Cut-off Times provisions of the respective Product Summary of your Insurance Plan and means, in connection with the issuance, cancellation and redemption of units, every Business Day.
