### SUB-FUND SUITABILITY

#### WHO IS THE SUB-FUND SUITABLE FOR?

- The Sub-Fund is only suitable for investors who:
  - Seek to achieve above average long-term capital growth in an international portfolio of shares in companies involved in high technology industries; and
  - Are willing to accept some short-term fluctuations in the value of their investments.

Investments in this Sub-Fund are subject to investment risks including the possible loss of the principal amount invested.

Units in the ILP sub-fund are not Excluded Investment Products.

#### Further Information

Please refer to Appendix 11 of the AIA Investment Fund Product Summary for further information on the suitability of the Sub-Fund.

### KEY FEATURES OF THE SUB-FUND

#### WHAT ARE YOU INVESTING IN?

- You are investing in an ILP Sub-Fund that feeds 100% into Franklin Templeton Investment Funds – Franklin Technology Fund, an underlying fund constituted in Luxembourg. The Sub-Fund aims to provide you with returns through investments in equity securities of international companies involved in high technology industries in the U.S and around the world.
- The Sub-Fund may also invest in equity or debt securities of any type of foreign or U.S issuer as well as in American, European or Global Depositary Receipts

Please refer to Appendix 11 of the AIA Investment Fund Product Summary for further information on features of the Sub-Fund.

### Investment Strategy

- This Sub-Fund is managed with the objective of achieving above average long-term capital growth by investing in an international portfolio of shares in companies involved in high technology industries, including emerging markets.
- The Sub-Fund uses a growth approach that employs intensive, bottom-up, fundamental research of companies. The Manager of the underlying fund also takes into consideration broad-based trends when considering the selection of investments.

Please refer to Appendix 11 of the AIA Investment Fund Product Summary for further information.
