

Medix Personal Medical Case Management

Supported by
leading global
medical network

AIA has partnered Medix to provide you with additional personal medical support from diagnosis to recovery.

We have enhanced our holistic healthcare proposition by partnering with Medix - an exclusive and innovative medical service that will help support and improve your journey to recovery.

Healthcare concerns

Our research* has found that while 68% of our customers feel that their current health insurance provides sufficient protection for them,

34%

are concerned about unnecessary or incorrect diagnosis

29%

are concerned about lack of on-going personal healthcare support

27%

are concerned about lack of coordinated care and support

Personal support throughout your medical journey with AIA

We know how tough it can be to make critical medical decisions that are often life changing. AIA would like to help you alleviate the stress and confusion by providing you with access to independent, global expert medical advice through Medix.

For serious medical conditions¹, eligible AIA policyholders will be able to utilise Medix for 24/7 support from a personalised medical team to help them understand and manage their medical diagnosis, treatment and recovery.

Eligibility

Medix Personal Case Management is a complimentary service exclusively available for our AIA Max VitalHealth A, AIA Max Essential A, AIA Max Essential A Saver, AIA Beyond Critical Care and AIA Power Critical Cover policyholders.

How does Medix work?

The Medix Personal Medical Case Management team first gathers and reviews your existing medical information and tests³, then consults with leading specialists around the world, across multiple disciplines, to reach the correct diagnosis.

The Personal Medical Case Management team will then discuss the diagnosis and the recommended treatment options (which will include relevant up-to-date medical research, technologies and clinical trials), with you and your treating doctor. Medix will also help to synthesize different opinions together to establish the best course of action, rather than leaving you to make sense of multiple points of view.

Please consult your AIA Financial Services Consultant for more details.

Insurance plans are underwritten by AIA Singapore Private Limited (Reg. No. 201106386R). All insurance applications are subject to AIA's underwriting and acceptance. This is not a contract of insurance. You are advised to read the policy contract for the precise terms and conditions of the plan.

Buying health insurance products that are not suitable for you may impact your ability to finance your future healthcare needs. You are discouraged from switching from an existing accident and/or health insurance policy to a new one without considering whether the switch is detrimental, as there may be potential disadvantages with switching. A penalty may be imposed for early policy termination and the new policy may cost more or have fewer benefits at the same cost.

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact your insurer or visit the GIA/LIA or SDIC websites (www.gia.org.sg or www.lia.org.sg or www.sdic.org.sg).
