These insurance plans are underwritten by AIA Singapore Private Limited (Reg. No. 201106386R) ("AIA"). All insurance applications are subject to AIA's underwriting and acceptance. This brochure is not a contract of insurance. The precise terms and conditions of these plans, including exclusions whereby the benefits under these plans may not be paid out, are specified in the policy contracts. You are advised to read the policy contracts.

As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid. You should consider carefully before terminating the policy or switching to a new one as there may be disadvantages in doing so. The new policy may cost more or have fewer benefits at the same cost. Buying health insurance products that are not suitable for you may impact your ability to finance your future healthcare needs.
