\*AIA has negotiated with these centres to obtain exclusive rates for additional breast imaging for Insured customers who have abnormalities detected during the initial mammogram screening. The centre will brief you on the details should you require them and there are limited number of slots for performing these additional tests during your same visit. Please note that all these additional tests are fully payable by you (Insured customer).

The list of participating centres is correct as of 1 October 2022 and may subject to changes.

Note:

1. Centres listed above are not affiliated. Insured customers must return to the same centre for the collection of the report and film.
2. Insured customers are required to provide the Voucher Serial Number and Voucher Expiry Date when making appointment with our screening partners.
3. As extension is not allowed, Insured customers are encouraged to book the appointment early in order to secure a preferred appointment date with the voucher validity period, after receiving the voucher.
